## 01 PROFILE

Senior Quantity Surveyor with 13+ years on EPC, EPCM and FEED projects across the UAE, KSA, Qatar, Bahrain, Malaysia and India. Currently with **Kent on ADNOC's BAB Far North development**, supporting commercial controls on EPCM packages worth over USD 260M. Strong in post-contract commercial control: payment certification, variations and FEWOs, subcontract administration and cash-flow forecasting.

## 02 KEY IMPACT

**2,500+**
FEWOs closed
Evaluated and closed out FEWOs worth **~MYR 90M** on PETRONAS RAPID, Malaysia.

**USD 260M+**
ADNOC packages
Commercial support on BFN Packages 1, 3 & 16; **~USD 5.6M** monthly IPC verified.

**USD 43M**
CCGT civil contract
Monthly cash-flow forecasts over **18 months**; VOs and bills of **4 subcontractors**.

**10**
Junior QS led
Re-evaluated contractor accounting sheets against latest drawing revisions, up to **~USD 115M**.

## 03 CORE SKILLS

Payment Certification / IPC · Variations & FEWOs · Subcontract Administration · Cash-Flow Forecasting · Rate Analysis · QTO / MTO / BOQ / BBS · Claims & EOT Support · Final Accounts · FIDIC Contract Conditions · CESMM4 · POMI · NRM2 · Oracle Fusion ERP

## 04 EXPERIENCE

### Quantity Surveyor – Civil
**Apr 2026 – Present**

**Kent PLC · Abu Dhabi, UAE**

*ADNOC BAB Far North Full Field Development (BFN) · EPCM*

- Support commercial controls across ADNOC BFN packages valued at **over USD 260M** (Packages 1, 3 and 16): progress valuation, quantity growth, variation review and IPC verification.
- Verify monthly contractor IPCs of **~USD 5.6M** on Package 1 (civil scope ~USD 82M) against IFC drawings, BOQs, day sheets and measurement records.
- Review variation and quantity-growth requests against contract conditions; track insurance and bond compliance.
- Reconcile structural-steel quantities with Tekla outputs, member schedules and packing lists; maintain records in Oracle Fusion / Wrench.

### Quantity Surveyor – Civil
**Jul 2025 – Feb 2026**

**HEISCO · Saudi Arabia**

*Qurayyah Expansion CCGT IPP · Power · ~USD 43M civil contract*

- Prepared **VO quotations** and rate analyses from labour productivity and resource build-ups, reviewed with the Project Manager.
- Built **monthly cash-flow forecasts** for the 18-month contract; tracked planned vs actual claim values.
- Verified progress measurements and bills for **4 subcontractors**; supported monthly client payment applications.

## 04 EXPERIENCE (CONTINUED)

### Senior Quantity Surveyor
**Dec 2022 – Jun 2025**

**Gulf Asia Engineering & Projects**

*EPC oil & gas, refinery and petrochemical projects · UAE, KSA, Qatar, Bahrain*

- **Led a team of 10 junior QS** re-evaluating contractor accounting sheets against the latest drawing revisions; fixed final values drawing by drawing and reviewed outputs.
- Prepared QTOs, MTOs, BOQs and BBS for multidisciplinary EPC projects **up to ~USD 115M**.
- Built cost estimates and rate build-ups; contributed to value-engineering reviews for bid and project decisions.
- Reviewed client billing and subcontractor payments; assessed variations and change orders; prepared claims and EOT documentation.

### Quantity Surveyor
**Aug 2017 – Sep 2022**

**Tan Bock Kwee & Sons Sdn Bhd · Johor, Malaysia**

*PETRONAS RAPID · refinery, industrial, infrastructure and building projects*

- **Evaluated and closed out 2,500+ FEWOs worth ~MYR 90M** on PETRONAS RAPID.
- Managed subcontract packages **through to close-out** as subcontractor to the main contractor: drawing and design submissions, variation follow-up and final handover.
- Prepared estimates, BOQs and QTOs for tenders on projects **up to ~MYR 147M**; prepared subcontract BOQs with terms and measurement rules.
- Monitored item-wise budget vs actual subcontract cost on road and steel-structure packages; prepared interim valuations and final accounts.
- Prepared schedules and catch-up plans to recover delays; negotiated quantity and rate disagreements using site records.

### Site Engineer
**May 2013 – Jul 2017**

**Senthil Construction Corporation · Tamil Nadu, India**

*Building, villa and infrastructure projects*

- Handled quantity surveying on site: measured works and verified BOQs, RA bills and subcontractor payments on projects **up to ~INR 16 Cr**.
- Prepared DPR, DLR and MPR reports; supported work orders, material procurement and AutoCAD as-built updates.

## 05 SELECTED PROJECTS

**ADNOC – BAB Far North (BFN)**
Kent · Abu Dhabi · EPCM

**PETRONAS RAPID**
Tan Bock Kwee · Malaysia · Refinery

**Qurayyah Expansion CCGT IPP**
HEISCO · Saudi Arabia · Power

**Hail & Ghasha P2 · NFE EPC-1 · Tanazib**
UAE · Qatar · KSA · Oil & Gas EPC

## 06 EDUCATION

**B.E. Civil Engineering**
Bannari Amman Institute of Technology · 2013

**Diploma in Civil Engineering**
Nanjiah Lingammal Polytechnic College · 2010

**RICS APC**
Enrolment Nov 2026 · submission planned Feb 2027

## 07 TOOLS & STANDARDS

- AutoCAD
- Bluebeam Revu
- Navisworks
- Trimble Connect
- Tekla (model review)
- Advanced Excel
- Oracle Fusion ERP
- Wrench
- CESMM4 · SMM
- POMI · NRM2
