PROFILE

Senior Quantity Surveyor with 13+ years on EPC, EPCM and FEED projects across the UAE, KSA, Qatar, Bahrain, Malaysia and India. Currently with **Kent on ADNOC's BAB Far North development**, evaluating contractors' final quantities on remeasurable packages worth over USD 260M. Strong in payment certification, variations and FEWOs, subcontract administration and cash-flow forecasting.

KEY IMPACT

2,700+
FEWOs & VOs

2,500+ FEWOs on PETRONAS RAPID (**~MYR 90M**) and 200+ VOs on ATB, Malaysia.

USD 260M+
ADNOC packages

IC final quantities evaluated on remeasurable Pkgs 1, 3 & 16; **~USD 5.6M** monthly invoices.

USD 137M
CCGT IPP package

Civil **~USD 43M**: QTO/MTO, cost reports, progress claims, VOs and subcontractor bills.

10
Junior QS led

Team re-evaluated and issued **500+ pricing sheets** against latest drawing revisions, up to ~USD 115M.

CORE SKILLS

- **Commercial Management**
- **Payment Certification / IPC**
- **Subcontract Procurement**
- **Cash-Flow Forecasting**
- **Cost Control & Reporting**
- **Variations & Change Management**
- **Subcontract Administration**
- **Quantity Take-Off & BOQ**
- **Contract Administration**
- **Final Account Settlement**
- **Tendering & Rate Analysis**
- **Claims & EOT Support**

EXPERIENCE

Quantity Surveyor – Civil
Apr 2026 – Present

Kent PLC · Abu Dhabi, UAE

ADNOC BAB Far North Full Field Development (BFN) · EPCM

- Evaluate the **Implementation Contractors' (IC) final quantity and value submissions** on remeasurable contracts for BFN Packages 1, 3 and 16 (**over USD 260M**).
- Check IC quantities against the **latest drawing revisions** (1,000+ drawings on Package 1) and recommend the final contract value to ADNOC.
- Review IC monthly invoices (**~USD 5.6M monthly** on Package 1, civil scope ~USD 82M), daywork sheets and variation orders.
- Track free-issue materials, manpower and equipment; maintain records in Oracle Fusion / Wrench.

Quantity Surveyor – Civil
Jul 2025 – Feb 2026

HEISCO · Saudi Arabia

Qurayyah Expansion CCGT IPP · Power · ~USD 137M package, civil ~USD 43M

- Prepared **QTOs and MTOs** from IFC drawings, with BOQs and BBS for site and procurement.
- Prepared **monthly cost reports** from site progress (actual vs claimed) and the 18-month cash-flow forecast; submitted **monthly progress claims** to the main contractor.
- Prepared and submitted **VO quotations** with rate analyses, and tracked them through to approval.
- Checked and certified **subcontractor bills** against measured progress.

EXPERIENCE (CONTINUED)

Senior Quantity Surveyor
Dec 2022 – Jun 2025

Gulf Asia Engineering & Projects

Hybrid from Chennai · supporting EPC oil & gas projects in UAE, KSA, Qatar, Bahrain

- **Led a team of 10 junior QS** that re-evaluated and issued **500+ pricing sheets** against the latest drawing revisions, tracking all submissions.
- **Rebar and structural-steel take-offs and BBS** from civil drawings; QA/QC checks on BOQs and MTOs for UAE and KSA sites.
- Prepared **monthly client invoices**; supported progress claims, variations and star rates.
- Prepared pre-contract BOQ quantities for tenders on EPC projects **up to ~USD 115M**.

Quantity Surveyor
Aug 2017 – Sep 2022

Tan Bock Kwee & Sons Sdn Bhd · Johor, Malaysia

PETRONAS RAPID · ATB Phase 2 Expansion · refinery, industrial and infrastructure

- **Evaluated and closed out 2,500+ FEWOs worth ~MYR 90M** on PETRONAS RAPID Package 3.
- **Led the QS team on ATB Phase 2 Expansion** for ATT Tanjung Bin (~MYR 22M), delivering ~75% of the QS work, including ~MYR 8M of variations across 200+ VOs.
- Prepared subcontract tender documents and BOQs; supported negotiation and letting; **certified interim valuations and final accounts**.
- Carried out material take-offs and site measurement; prepared DLR, DPR, as-built drawings and project cost and cash reports.

Site Engineer → Quantity Surveyor
May 2013 – Jul 2017

Senthil Construction Corporation · Tamil Nadu, India

Building, villa and infrastructure projects

- Joined as Site Engineer and **took over the QS role in 2015**: RA bills, interim valuations and subcontractor invoices on projects **up to ~INR 16 Cr**.
- Prepared IFC take-offs and BOQs; quantified variations from RFIs and engineering instructions; prepared DLR, DPR, MPR and 3-week look-ahead schedules.
